Oak Creek Marketplace, Inc.

EST. 2000

A collaborative workspace,
showcase and marketplace for
the creative spirit.

a collaborative workspace, showcase and marketplace for the creative spirit

OAK CREEK Marketplace

Oak Creek Marketplace is committed to the idea that everyone has the potential to earn a living doing what they truly love.

Oak Creek Marketplace offers:

- a collaborative workspace, showcase & marketplace for the creative spirit
- affordable, user-friendly web design
- e-commerce solutions to help you sell your art or hand-crafted products
- community networks of artists, artisans, crafters, teachers, healers, entrepreneurs and more
- web hosting
- search engine submissions
- community networks of artists, artisans, crafters, teachers, healers, entrepreneurs and more

Oak Creek Marketplace provides artists, artisans, crafters, and teachers with a digital presence to showcase their art, knowledge and products.

Member Affiliates Include:

- Mind Matters**: The Mind Matters newsletter by Patricia Lane Bellows, certified life coach, provides an excellent resource for artists, artisans, crafters, and teachers to learn more about the creative spirit and its importance to their practice. Patricia is an artist, teacher, writer and founder of the Healing Arts. Patricia provides a private practice offering guidance in personal and professional self-empowerment, employing behavior and personal analytics.
- Design**: Since 2001, Desktop Design has offered clients thoughtfully designed communications for print and the internet. Desktop Design's collaborative expertise provides quality communications that are designed to. Products include signs, brochures, websites and much more.

Oak Creek Workshops provide a tradition and learning experience in a job or not related atmosphere. Workshops are centered around project-based hands on instruction in such areas as: Clay from Pottery Wheel-Throwing, Photography, Watercolor, Clay Sculpture and more.
